FURNITURE

A modern interior space featuring a long, low wooden bench with a dark blue cushion, set against a wall of large, grey, tufted acoustic panels. In the foreground, a white upholstered chair with dark wood legs is positioned next to a dark wood table. The floor is made of light-colored wood. A white electrical outlet is visible on the wall near the bench.

CUSTOM UPHOLSTERY

Make it
your own.

A photograph showing two men working on a piece of furniture. The man in the foreground is wearing a dark jacket and is focused on his work. The man in the background is wearing a blue t-shirt and glasses, and is also working on the same piece. They are both looking down at their work. The background is a blurred view of a city street.
